Ideas and concepts: e.g. beauty, happiness

Animals e.g goat, ewe

Types of Noun

Proper Noun: This refers to the specific names of persons. Example Kemi, Charles etc.

Cities: Lagos, Abuja

Countries: Nigeria, United States of America

Institutions: Central Bank of Nigeria, University of Nigeria Nsukka.

Months and Days: January, Monday

Note: It should be noted that all proper noun must begin with a capital letter including the personal pronoun "I" irrespective the position in a sentence.

Common Noun: This is a general name of things, concepts, animals and ideas. Examples: girl, town, school, men, women, boy, principal etc. These nouns are common because they are not particularly names by which the people and things being described are called. It should be note that a common noun needs not begin with a capital letter unless it begins a sentence.

Collective Noun: This is a noun used to refer to a group of things and class of individuals. Examples a team of players, congregation of worshipers, a group of things, a bunch of banana/keys. Other collective nouns include: committee of, swarm of bees, class of students, family of lions, company of actors, herd of cattle, host of Angel etc.

Abstract Noun: They are things or concepts that cannot be touched or seen. They exist in our imagination. We feel and experience them. Example hatred, love, beauty, death, sadness and joy etc.

Concrete Noun: Concrete noun can be seen and touched. All other types of nouns except abstract noun are concrete nouns.

Countable Nouns: Are those that can be counted. Countable nouns have singular and plural. Example table-tables, box-boxes, man-men.

Uncountable Nouns: These are nouns that cannot be counted. They can be expressed in plural forms by using partitives e.g. a piece of furniture, a litre of kerosene, a bottle of wine, a cup of water.
