

Note on Synonyms

Meaning of Synonyms

Synonyms are words that have the same or nearly the same meaning. They help make speaking and writing more interesting and less repetitive.

Examples

Word

Synonyms

Happy

joyful, cheerful, glad

Big

large, huge, enormous

Small

tiny, little, miniature

Fast

quick, rapid, speedy

Smart

intelligent, clever, bright

Important Notes About

Synonyms

1. Synonyms may differ slightly in meaning

Example:

Slim means thin in an attractive way.

Skinny may sound negative.

2. Some synonyms are formal while others are informal

Example:

Ask → informal/common

Inquire → formal

3. Synonyms depend on context

Example:

“Strong tea” is correct.

“Powerful tea” sounds unnatural.
