Instructional Materials:

Whiteboard and marker

Photocopies of summary passage

Lesson Presentation

Step 1: Identification of Prior Knowledge

Mode: Individual

Teacher's Activities:

Teacher asks:

What is a summary?

Why do we summarize passages?

Students' Activities:

Students respond.

Step 2: Exploration

Mode: Entire class

Teacher's Activities:

Meaning of Summary

Summary is the act of reducing a passage to its main ideas using your own words.

Students' Activities:

Students listen and repeat.

Step 3: Discussion

Mode: Entire class

Teacher's Activities:

Steps in Summary Writing

Read the questions first.

Read the passage carefully.

Identify main ideas.

Write in your own words.

Use correct number of sentences.

Avoid lifting.

Proofread your work.

What to Avoid

Copying directly

Writing irrelevant points

Using phrases

Exceeding sentence limit

Students' Activities:

Students discuss and explain steps.

Step 4: Application

Mode: Entire class

Class Activity

Passage:

Advertising helps companies inform people about their products. It also persuades consumers to buy goods. However, some adverts may mislead people.

Questions:

(a) In two sentences, summarize the importance of advertising.

(b) In one sentence, state a disadvantage.

Answers:

(a)

Advertising informs people about products.

It persuades consumers to buy goods.

(b)

Some advertisements can be misleading.

Students' Activities:

Students write answers in their notebooks.

Step 5: Evaluation

Mode: Individual

Teacher's Activities:

Teacher asks:

What is a summary?

Mention two rules of summary writing.

What should you avoid?

Students' Activities:

Students respond.

Assignment

Summarize a passage from WASSCE past questions in three sentences.
