Teacher's Model Oral Composition

Topic: My School

My school is one of the most beautiful schools in my community. It is located in a quiet environment surrounded by green trees. The school compound is spacious and clean. There are several classroom blocks painted in bright colours.

The teachers in my school are hardworking and friendly. They teach us diligently and encourage us to excel in our studies. The students are disciplined and respectful.

One of the things I like most about my school is the library. It contains many interesting books that help students learn more. We also have a large playground where we play football and other games.

In conclusion, my school provides a good environment for learning and character development. I am proud to be a student of this great school.
