

LESSON PLAN

Theme: Vocabulary

Date: _____

Class: SS 1

Time: _____

Duration: 40 Minutes

Subject: English Language

Week: _____

Unit Topic: Vocabulary Development

Lesson Topic: **Words Associated with Photography**

Specific (Behavioural) Objectives

At the end of the lesson, students should be able to:

1. Explain what photography is and identify words associated with photography.
2. State the meanings of photography-related terms.
3. Use the words correctly in sentences.
4. Demonstrate understanding of photography vocabulary.

Instructional Resources

- Camera
- Photographs
- Photography magazines
- Mobile phone camera
- Whiteboard.

LESSON PRESENTATION

Step 1: Identification of Prior Ideas

Mode: Individual

Teacher's Activities

Teacher asks:

1. Orientation

How do people capture and keep pictures of important events such as birthdays, weddings, and graduations?

2. Conceptualization

What questions can we ask about how pictures are taken and the tools used in producing them?

3. Investigation

What tools, equipment, or processes are involved in taking and producing clear pictures?

4. Conclusion

What important words or terms are commonly used in the process of taking and producing photographs?

5. Discussion

How can the words you have identified be correctly used in sentences to describe picture-taking activities?

Students' Activities

Respond based on their experiences.

Step 2: Exploration

Mode: Entire Class

Teacher's Activities:

Teacher guides students to explain photograph.

What is Photography?

Photography is the art, science, and practice of creating images by recording light through a camera.

Students' Activities

Listen attentively and take notes.

Step 3: Discussion

Mode: Group

Teacher's Activities:

Teacher guides students to identify words associated with photography and use them to form sentences.

Words Associated with Photography
